March 14, 2017 SDCTA meeting held at Elizabeth Campbell's home

In attendance: Jane Whitehurst, Deb Cangialosi, Adair van Spronsen, Barbara Sutton, Joan Potter, Elizabeth Campbell, Toni Miller, Mark Miller, Sally Cahill, Harvey Rose, Rachel Stevick, Jen West, Ingie Sanders, Kim Rose

After a short session of socializing and indulging in some amazing food dishes we got right down to business:

1. Newsletter info needs to be to Jane by the 25 of the month.
2. Big schooling show 41 entries maybe more with 2 western dressage riders.
3. Joan needs help taking down ring.
4. We may be able to continue using Keystone Sport Horse until June.
5. Brynn Cahill needs pictures for the website. She is re-doing website and we also need a FB page and Instagram.
6. Jen West gave an update on Bakas and a brief history of the non for profit organization that helps supplement the Hillsborough Parks and Recreation which funds the handicapped equestrian program. An offer has been made by a private citizen to buy the land that is currently being used. Please visit their website Bakasridingcenter.com to find out more and how this may impact their riding program for the handicapped.
7. Our guest speaker Yvonne Holste did an excellent job explaining the process of taking the horse, or horse and rider and creating magnificent oil and watercolors paintings. In short, she takes her own pictures because only she knows what she needs to see to create the essence of the people and horses. She also wants to meet the horse and get a feel of their personality. So it is better if you have an older horse to get your painting done now while Yvonne can meet them. Yvonne does other subjects as well and she brought her beautiful portfolio and a pricing list. We all learned a lot as she took us through the steps of creating a master piece!!!

Dear Members,

To all of you that missed the last meeting at Elizabeth's house, it was a really good one! Yvonne Holste is such a wonderful artist, and gave a nice talk on her work, She showed us some beautiful examples of portraits in oil and watercolor, while talking about her technique. We should all be lucky enough to own one!!

Keystone Sport Horse was a great success, with a very good turnout and excellent weather. I want to thank all of you that showed up to help and every competitor that rode their heart out! Thank you Leslie for a great job judging, we all got some insightful comments.

Tori Potter will give a talk on leather care at the April Meeting to be held at the Red Ranch, She will focus on leather care, do's and don'ts, various products we use, types of leather and how to trouble shoot. All of this sweat and water down here is so hard on our equipment! Come with questions and input, I look forward to seeing everyone.

Sincerely,

Joan Potter
