Minutes were approved

:The June show was a big success – thanks to all volunteers

:There will be a board meeting to discuss the possibility of having a 3rd rated show in November. That may cause a difficulty with having a schooling show in November or it may be a different set of riders. Harvey and Alberta may do that schooling show if it is held.

:The Christmas party will be at Beth Marshall's home. It will be on the 1st Saturday, December 3rd.

:Jamie Sawyer was the champion of Pony Club at the Kentucky Horse Park. Axel Steiner and Lilo Fore were the judges.

:On Sunday July 17 there will be an Anna Merrick clinic at Elizabeth Campbell's.

:The September show will be on September 3&4. Sally will maintain the volunteer lists. Let her know of your interest. The closing date is August 15th. The prize list will be on the website.

It has been a very hot summer. Please remember that if the total of temperature plus humidity is greater than 150, it is dangerous for both horse and rider. It can be worse in the morning than in the middle of the day as the humidity is highest in the early hours.

We had a very successful June show and now the September show is coming near. The volunteers made the June show run exceptionally smoothly. Let's do it again. The riders, trainers and judges always complement our volunteers. Thanks for the past and for the future.

We are coming on a new club year. The officer slate will be changing. There will be rated shows, schooling shows, clinics, end of year awards, the Christmas party, etc. It is the clubs busiest time. It's never too early to organize your scores and hours for the end of year awards. Time flies.

I wish you all safe riding and I hope to see you all at the August meeting. Thanks again for all that you do. Harvey

Hey everyone,

We have a lot of stuff coming up in September. Please try to make it to the meetings.

Our membership is growing and with that will hopefully breathe some rejuvenation to our club.

SDCTA has stood the test of time. Through its conception, (sometime in the 80's), this club has continued while many other dressage clubs have began and ended.

The strength of SDCTA comes from, the core of few long time members and the influx of new members.

Encourage your dressage friends to join or re-join the SDCTA. Let's watch our membership grow. The member who joins tomorrow might just be the president of this club in a couple of years.
