**N**ewsletter

Hi Everyone.

I know the newsletter is a little skimpy this month. The holidays can be all so overwhelming. I hope each and every one of you got a chance to catch up with family and friends. Anna and Mary Urquhart came up and we all had a fun time on the trails. Farah only kicked Lordy once! My farm also went Christmas caroling around the neighborhood on horseback and again I was on my mare's back. A couple of years ago I would never had attempted this with her, but she has come a long way. She was even proud to wear the garland around her neck. I have to remind myself the training just doesn't happen in the ring. The bond you share with a horse out on a hack can be so beneficial to your partnership. They look to you for their confidence and in doing so they become more confident on their own. Take one day out of your training schedule to do something different. You both will enjoy it!!!!

Jane
