May 9 2017 SDCTA meeting held at Royal Blue Stables

In attendance: Jane Whitehurst, Debra Cangialosi, Adair Von Spronsen, Joan Potter, Elizabeth Campbell, Christina Sanders, Carol Smith, Jamie Sawyer, Susan Marston, Jen West, Leslie O' Sullivan, Rebecca Ruthberg, Tara Murphy, Krista W., Karen Kearney, Toni Miller, Mark, Heather Miller, Vivian Vetere, Megan Petry

A very educational and fun evening was had by all. Mireille Doffegnies Henkemans owner of MD Equine Therapeutic Services gave an overall anatomy lesson of the equine along with terrific hand-outs. She then proceeded to demonstrate many of the acupressure points we can do ourselves to determine if our horses are experiencing any soreness throughout their body. Then she delved into quite a few different therapeutic modalities that were new to many of us. It was quite interesting to hear the positive results she has gotten through the use of bandaging tape and aroma therapy. These are just a few. After the lecture we enjoyed a number of tasty dishes in Elizabeth's bistro!!!!

We have had some terrific guest speakers lately and the May meeting was no exception. Thank you Mireille for the well-thought out and very interesting lecture. She should be a teacher!!! Sometimes the second Tuesday of the month comes along so fast and you might think “I just don’t have the time to go to a SDCTA Meeting.” Well, think again, because the benefits of going so out weigh the benefits of staying home and getting caught up on life stuff.

I always learn so much —like just talking to other members about different health services they use. And speaking of health services. Free advertisement for Mireille and MD Equine Therapeutic Services because I think many member’s horses could benefit from.....
