Dr . Kerry Ridgway died last year but I have just recently started to learn all about him.

His videos on Youtube range from saddle fitting A to Z to high heel/low heel syndrome.

He is an excellent teacher and an obvious advocate for the horse. Check them out!!

The newsletter is in need of articles and educational information . If you have anything you would like to share that would be awesome.

Please submit newsletter articles, etc. to me by the 25 th of each month so that I can get the newsletter out in a timely matter.
